TATTLER

December Edition

It is that time of the year where everything is starting to wind down for us all to celebrate the festive season with our loved ones or to just have a rest after the busy year.

Update Grant Progress

The generator purchased to be installed up at the transmission tower is still ongoing. We are in consultation with the Inverell Shire concerning construction of the appropriate slab and cover to ensure that the sound of the generator will not impede surrounding residence. You will be advised once this has been finalised.

AGM and General Meeting

We held our AGM followed by the General Meeting on Sunday, 20th November, 2022 at the Inverell Transport Museum on Rifle Range Road with a great line up of members attending. The new Committee was elected with Mal Really becoming President, Dougal Cowperthwaite - Vice President, Sandy Swan - Secretary, Ashleigh Hurley – Bookkeeper/Treasurer and Committee members - Kerry White, John Ditchfield and Wayne Jones.

We would like to take this opportunity to thank Brooke Raymond and Joanne Vine for everything they did and achieved in the time they held positions on the Committee and would like to welcome our new Committee members, Sandy Swan and Wayne Jones onto the STA Management Committee.

We would also like to congratulate Peter Jarrett and Mal Really for being awarded Life Time memberships for their continued hard work and contribution to STA FM.

Collection Point

The Inverell/Tingha Sewing for Charity Group requested that STA FM become a collection point for donations of toys new and old but in good condition for people and children in need in the Inverell area. It proved to be a great success and the ladies of the Sewing Group were very pleased with the response.

Visits

With STA FM being a collection point for the Sewing for Charity Inverell/Tingha, Bonshaw Public School visited the studio to drop off their purchases to put under the tree on Wednesday, 7th December. Gerry Taveira gave the students a tour of the studio and they went in to talk to Wayne Jones, while was on air. The children had a ball.

Friday, 9th December, the students from Inverell High School Support Unit visited the studio to place some gifts under the tree to support other youngsters less fortunate than themselves. It is great to have the visits from the students and to see the enthusiasm when they come in to see how the station works.

Outside Broadcasts

Our OB van has been very popular over the last couple of months. The day at Barry's Motors for the release of the new Ford Ranger and Everest was a great success. The van has been used for Eat, Drink and Live event, the Inverell Lapidary Club and we have been at the 3 Sundays for the local markets leading up to Christmas.

It is great getting out and about and seeing everyone and the organisations enjoying the fact that they have music at their events.

Christmas Party

This year's Christmas Party was held at the Aussie Bistro on Friday, 9th December. The Management Committee provided a \$500 dry bar for the members who attended.

*Everyone here at STA FM would like to take this opportunity to wish you
all a very Merry Christmas and a happy and healthy New Year
See you all in 2023*
