STA TATTLER

September, 2022

Well, Spring has arrived and we are now getting closer to all our end of year duties.

Generator for the Tower

As part of the Honorable Barnaby Joyce's Stronger Communities Grant, we have been able to purchase the generator for our tower on Glen Innes Road to enable us to finally have continuous coverage during blackouts. To comply with local Council regulations, we need to lay a concrete slab to accommodate the generator, so we are planning a working bee to set this up prior to the installation of the generator.

Visits to the Studio

Inverell High School Visit

On the 8th June 2022, STA FM was pleased to have a visit from 5 members of the MC Class from Inverell High School along with their Teacher, Mrs Fenton. They came to see the workings of the studio. During their visit, the students asked Mal Really numerous questions relating to radio, radio signals and much more. It was wonderful to see such enthusiasm from the students. We look forward to the next visit

Guest Presenters' Visits

Mal has been lucky enough to have 2 little guest presenters, Ava and Jackson come into the studio for an hour both in June and September this year. Mal was blown away with their taste in music and it was a pleasure to share the time with them.

Outside Broadcast

Thanks to the hard-working committee for setting up of the caravan on Saturday afternoon. Our hard-working Presenters spent up to 9 hours of broadcasting with our OB van over at Inverell Pioneer Village on Sunday, 29th August, 2022 for the Motor Mania and the Inverell Markets. The day was a great success with a huge attendance of people to come to see the many classic cars and motorcycles as well as the stalls from the Markets.

Dougal was fortunate to present Eddie, seen here in front of his classic Austin A30, with the Promoter's Award of Motor Mania.

Upcoming Events

The OB Van will be outside Barry's Motors for the release of the new Ford Ranger and Everest on Friday, 30th September from 9am to 2pm. We have also been invited to present at the Eat Drink and Live on 12th November from 9am to 2pm.

STA FM Annual General Meeting (AGM) will be held on 20th November, 2022 at 10.00am at the National Transport Museum on Rifle Range Road, Inverell.

Nomination Forms and Proxy forms can be obtained from the Office during Business Hours of 9.00am to 12noon Monday to Friday or our website at www.stafm.bigpond.com.au.

Proxys close 14 days prior to the AGM and Nominations close 7 days prior to the AGM.
